Bahrain Financial Harbor,
Kingdom of Bahrain
10:00 to 15:00**

www.aphelionsolutions.com

Course Will Cover

The 'Change Management for Executives course' is designed to provide Senior Leaders, Executives and Managers the key skills required during a change programme.

If your organisation is looking to undergo a transformation due to technology (ERP) or Process (Six Sigma, LEAN), it is imperative that your business leaders understand how to manage the transformation to achieve the desired results.

The programme offers the following elements:

Introduction to Change Management

- What is Change Management and Why do we need it
- Understanding Principles of Change Management
- Risk of ignoring Change

People in Change

- Why People are important for a successful change
- Understanding and managing Resistance
- Coaching

Effect of Change Management

- Impact on meeting business objectives, meeting schedules, and staying on Budget

Re-enforcement and Incentivising

- Why you should re-enforce change
- How to re-enforce change
- Incentivising work force
